Re: Review of Draft IR Study

Dear Ms. Townsel:

On November 12, 1991, I forwarded a copy of my comments relative to the Draft Installation Restoration Study which was performed at the New London Sub Base. I have recently received a copy of comments from the U.S. Fish and Wildlife Service relative to their review of the document. These comments are attached for your information.

If you have any questions, please do not hesitate to contact me at (617) 573-5793.

Sincerely yours,
