RE: Comments on Installation Restoration Program, DRAFT
Community Relations Plan, Naval Subbase, New London

Overall, the plan looks good; my comments are minor:

- Page 22: Press releases, public notices and fact sheets should also be mailed to public libraries, chief elected officials of each Town, and to local members of the TRC. Each represents an important distillation of technical data; for busy local officials, there may be insufficient time to read a lengthy and complex document.
- Page 28: Joseph A. Lozier has been elected Mayor of Ledyard, replacing Mary K. McGrattan.

Sincerely,

WR Haase
