Dear Mr. Giroux:

EPA is in receipt of your correspondence dated April 29, 1993 regarding the validation of analytical data associated with field samples collected at the above referenced Federal Facility Superfund site. Your letter includes a list of proposed samples to be validated in accordance with the November 1, 1988 EPA Region I Laboratory Validation Guidelines for Evaluating Organic and Inorganic Analyses. As requested, EPA has reviewed the list and concurs with the proposed samples to be validated.

Should you have any questions, please do not hesitate to contact me at (617) 573-5764.

Sincerely,

*Carol A. Keating*
