Subject: Final Remedial Investigation Update/Feasibility Study for
Sediment at Area A Wetland - Site 2B
Naval Submarine Base-New London, Groton, Connecticut

Dear Mr. Gravette:

Please find enclosed two hard copies of the subject document for your records. An electronic copy of the report on CD is also enclosed. Copies of the Final Remedial Investigation Update/Feasibility Study (RI Update/FS) were also distributed to the other members of the Naval Submarine Base – New London team per the distribution list provided below for their records. The Final RI Update/FS incorporates changes to the Draft document based on the attached response-to-comment documents prepared for regulators comments.

If you have any questions regarding the enclosed document, please contact me at (412) 921-8433.

Sincerely,

A handwritten signature in black ink, appearing to read 'A. Bernhardt', written over a horizontal line.
