Subject: Final 2011 Site Management Plan  
Naval Submarine Base-New London, Groton, Connecticut

Dear Mr. O'Connor:

The draft 2011 Site Management Plan (SMP) was issued to the Navy and regulators on June 30, 2011. The Environmental Protection Agency responded verbally during a July 6, 2011 conference call and the Connecticut Department of Energy and Environmental Protection responded in an email on July 8, 2011 that they will not be reviewing the SMP. Therefore, the draft version, labeled Revision 0 June 2011, is considered the final SMP for 2011. This letter is being submitted to you and the New London team to document the final status of the SMP and that no additional changes or revisions will be made to the document.

If you have any other questions regarding the SMP, please contact me at (412) 921-8984.

Sincerely,

Corey A. Rich, P.E.  
New London Base Coordinator/Project Manager
