Subj: NAVY REVIEW COMMENTS ON THE NO FURTHER ACTION DECISION
DOCUMENT FOR THE CONSTRUCTION BATTALION UNIT DRUM STORAGE
AREA, NAVAL SUBMARINE BASE NEW LONDON, GROTON, CT

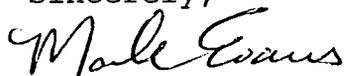

Dear Ms. Keckler and Mr. Lewis:

Please find enclosed the Navy's comments on the No Further Action Decision Document (NFADD) for the former Construction Battalion Unit Drum Storage Area. The draft version of this document was dated April 1996 and then revised and dated June 1996. This latest version was prepared after a teleconference between EPA Region I and the Connecticut Department of Environmental Protection on June 6, 1996 and forwarded to the Navy via the Internet on June 7, 1996 by Ms. Kymberlee Keckler.

As we have discussed and since the Navy's comments are relatively minor, I incorporated the Navy's comments in the NFADD. Under separate cover I have forwarded the NFADD to the Commanding Officer, Naval Submarine Base New London for approval and signature. Following the Navy signature, the document will be sent to Connecticut Department of Environmental Protection, and then to the Environmental Protection Agency Region I for final approval and signature.

If you have any questions or comments please contact me at (610)
595-0567 ext. 162.

Sincerely,

Mark Evans
Remedial Project Manager
By direction of the
Commanding Officer
