Re: Contract No. N62472-02-D-0810; Task Order No. 0002

Dear Ms. Keckler and Mr. Lewis:

ECC is pleased to submit the annual landfill inspection reports for the above referenced sites on behalf of the U.S. Navy. Previous reports were submitted by TetraTech NUS, Inc. (TiNUS).

Two copies of each report, as well as a CD with an electronic copy of all three reports in PDF format, are being submitted to U.S. Environmental Protection Agency. One copy of each report, as well as a CD with an electronic copy of the reports in PDF format, is being submitted to Connecticut Department of Environmental Protection. Additional copies are being distributed as noted below. It is requested that future submittals be transmitted solely electronically to the extent feasible in an effort to reduce the amount of paper generated. Please respond with approval if this would be acceptable.

Feel free to contact Mr. Mark Evans of Engineering Field Activity Northeast at 610-595-0567 (ext. 162) or me at 508-229-2270 (ext. 206) if you have any questions.

Sincerely,

Darren Gainer, P.G.
