Subject: *Final Annual Groundwater Monitoring Reports for Goss Cove, Area A and DRMO Landfills, Naval Submarine Base, New London, Groton, Connecticut.*

Re: Contract No. N62472-02-D-0810; Task Order No. 0002

Dear Ms. Keckler and Mr. Lewis:

ECC is pleased to submit the final annual reports for the above referenced sites on behalf of the Navy. The responses to the comments on the draft reports have been included as appendices in the final reports.

Two CDs, each with electronic copies of the reports for the sites in PDF format, are being submitted to U.S. Environmental Protection Agency. One copy CD with electronic copies of the reports in PDF format is being submitted to Connecticut Department of Environmental Protection. Additional copies are being distributed as noted below.

Feel free to contact Mr. Mark Evans of Engineering Field Activity Northeast at 610-595-0567 (ext. 162) or me at 508-229-2270 (ext. 117) if you have any questions.

Sincerely,

Robert J. Tess, P.E.
ECC Project Manager
