Contract Task Order 064

Subject: Final Round 2 Groundwater Monitoring Report for Sites 3 and 7
Naval Submarine Base-New London, Groton, Connecticut

Dear Mr. Jurka:

Please find enclosed three hard copies and three electronic copies (CDs) of the subject report for your records. Copies of the report were also distributed to Mr. Richard Conant at NSB-NLON, Ms. Kymberlee Keckler at EPA – Region I, Mr. Mark Lewis at CTDEP, and Mr. Al Easterday at ECC per the distribution list provided below for their records.

A brief Executive Summary was added to the report and minor changes were made to Section 3 and Appendix C of the report per comments received from the Navy (January 5, 2007) and EPA (January 11, 2007). Because of limited nature of the comments, no formal response-to-comment documents were prepared for them. If you have any questions regarding the report, please contact me at (412) 921-8984.

Sincerely,

Corey A. Rich, P.E.
Base Coordinator/Project Manager
