Re: State Comments Regarding Draft Record of Decision for Source Control Operable Unit, Site 4- Rubble Fill Area at Bunker A-86, Naval Submarine Base New London, Groton, Connecticut

Dear Mr. Evans:

The Department has received and reviewed the Draft Record of Decision for the Source Control Operable Unit, Site 4- Rubble Fill Area at Bunker A-86. The Draft ROD was dated May 1997, and was received by the Department on May 28, 1998.

**General Comments**

The State has previously expressed support for the proposed remedy as described in the Proposed Plan dated April 1998. The State continues to support the proposed no further action remedy as described in the draft Record of Decision.

**Specific Comments**

Page 1 Section I. Site Name, Location, and Description

In the first sentence of the first paragraph, the full name of CERCLA should be "Comprehensive Environmental response, Compensation, and Liability Act of 1980".

Page 2 Figure 1-1

Please provide a more legible copy of this figure for the final ROD.
