**Re: Naval Base Norfolk CD Landfill, Permit No. 286**

Dear Ms. Barnett:

This letter is in regard to ground water monitoring information for the above facility. According to our records, this office has not received a copy of the following:

- X Confirmation that a ground water monitoring system has been installed
- X Confirmation that ground water sampling and analysis has begun
- X Quarterly monitoring data for the first year of operation of the ground water monitoring system
- X Semiannual ground water monitoring data for subsequent years
- X Annual statistical evaluation of ground water data
- X Triennial evaluation of ground water surface elevations

It is understood that your command is proceeding with site investigative and closure/post closure through the Installation Restoration Program (IRP). These activities will be monitored by the Department of Waste Management, therefore I am requesting that you send copies of previous groundwater results, as well as future results to the Tidewater Regional Office.

Should you have any questions, please call me at (804) 552-1251.

Sincerely,

Thomas L. Kowalski  
Environmental Inspector, Sr.
