Dear Admiral Tobin:

Thank you for your letter of October 30, 1991 with regard to the procedures necessary to continue the Navy's study of the Camp Allen landfill.

By copy of this letter to the residents of Glenwood Park, I am enclosing for them a copy of your letter for their review so they can be apprised of the procedures involved and also a copy of the letter to me from the City of Norfolk with regard to current developments from their standpoint and with regard to the requested soil sampling. I enclose a copy of the City's letter for your file.

In the meantime, if I can be of further assistance, please do not hesitate to contact me.

Very truly yours,

George
