Re: Remedial Investigation and Feasibility Study Final Work
Plan Approval for Site 5 and Site 21 at Naval Base,
Norfolk CTO-003

Dear Mr. Tilchin:

The Subject Final Project Work Plans dated August 15, 1996 are approved. Deviations from these work plans in the field should be discussed with the Navy prior to implementation. A revised schedule should be provided to document changes in field mobilizations and submissions of deliverables.

If you have any questions, please contact me.

Sincerely,

D. M. FORSYTHE P.E.
Remedial Project Manager
Installation Restoration Section
(North)
Environmental Programs Branch
Environmental Quality Division
By direction of the Commander
