Navy CLEAN, District III
Contract Task Order (CTO) 0138
CD Landfill, Draft Final PRAP
Naval Base, Norfolk, Virginia

Dear Mr. Harris:

Baker Environmental, Inc. (Baker), is pleased to provide two copies of the Draft PRAP for the CD Landfill. This document has been revised based on discussions and consensus reached at the Naval Base partnering meetings. The preferred remedial alternatives for soil and groundwater at the site include the installation of a cap that meets the requirements of the Virginia Solid Waste Management Regulations, institutional controls, and groundwater monitoring.

Copies of this report have also been provided to Mr. Randy Jackson, Mr. Tim Reisch, USEPA Region III, Virginia DEQ, and CH2M Hill.

Baker appreciates the opportunity to provide technical support to LANTDIV on this project. Should you have any questions or comments regarding the enclosed information, please contact me at (757) 631-5416.

Sincerely,

BAKER ENVIRONMENTAL, INC.
