Draft RI Report

Dear Mr. Jackson:

Enclosed are four (4) copies of the Draft Remedial Investigation (RI) report for the Camp Allen Salvage Yard (CASY). The RI report presents the findings of the field investigation started at the CASY in 1996, including additional data collected from Camp Allen Area B in 1998. The human health risk assessment considers the entire northern portion along with Area B of the landfill.

The RI Report has also been sent to the other members of the Naval Base Partnering Team. Copies have been sent to Ms. Dianne Bailey at PWC Norfolk Naval Base, Mr. Harry Harbold at USEPA, and Mr. Devlin Harris at Virginia DEQ.

Baker appreciates the opportunity to provide support to LANTDIV and the Norfolk Naval Base. If you have any questions regarding this matter, please contact me at (757) 631-5416.

Sincerely,
