Dear Ms. Field:

10 AM

Per discussions with our Mr. Jesse Waltz, I have enclosed a copy of the Interim RCRA Facilities Final Report for the Naval Air Station, Oceana. Additionally, the Oceana site visit you requested for October 23, 1991, has been scheduled with NAS Oceana. The meeting has been tentatively scheduled for 9 a.m. on the 23rd. Please let Mr. Waltz know as soon as possible if another time would be more convenient.

Mr. Will Bullard (NAS Oceana) should be contacting you in the near future to schedule a date and time for the Oceana TRC meeting. We are currently trying to set it up for November 7, 1991. Please let us know if you have a conflict with that date. Mr. Bullard will be sending out details for the meeting in the near future.

If we can assist you in any other way, please contact Mr. Jesse Waltz at (804) 445-6911.
