Re: Public Participation Documents

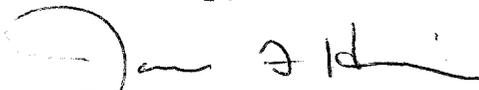

Dear Mr. Toth:

During our February 15, 1995 meeting, questions were raised concerning whether the Restoration Advisory Board (RAB) meeting for the Corrective Measures Study of Sites 1, 2B, and 2C satisfied the criteria for public participation. The meeting was held January 12, 1995 at 7:00 P.M. at the Radisson Hotel in Virginia Beach. LANTDIV stated that the RAB acts as a forum for solicitation of public comment. A public notice advertising the meeting is published in advance of the meeting. The meeting is open to the public and questions can either be asked at the meeting or written down and submitted for a written response. Also, each newsletter preceding the meeting has names, numbers and locations of where to receive additional information, including meeting minutes available to the public.

I have enclosed a copy of the public notice, the newsletter, sign in sheet, meeting minutes, and mailing list for your review and comment. Please provide direction as to any additional measures necessary to enhance our public participation process.

Please call Mr. Jim Harris, RPM, NAS Oceana at (804) 322-4776 if you have questions or need additional information with regards to this submittal.

Sincerely,

J. F. HARRIS, P.E.
Remedial Project Manager
Installation Restoration Section
(North)
Environmental Programs Branch
Environmental Quality Division
By direction of the Commander

Enclosure
