Dear Jim,

Five copies of the final work plan addendum for the investigation at Building 301 are enclosed. I have added a sampling summary table and made minor changes to the draft final work plan addendum submitted October 26. I have left out the health and safety plan from the final but did send you a copy of the final health and safety plan last week under separate cover.

Please call me at (703) 471-6405 extension 4322 if you have any questions.

Sincerely,
CH2M HILL, Inc.
