Draft Final Remedial Investigation Work Plan for Sites 1/41, 2/15 and 3

Dear Mr. Sanford:

Due to a communication error on our part, the RI Work Plans for Sites 1/41, 2/15, and 3 at MCRD Parris Island were incorrectly sent out as Final documents. The Work Plans should have been issued as Draft Final. Discussion and resolutions decided upon during the July 9-10, 1997 Parris Island Partnering Meeting will be incorporated into the Draft Final versions of the Work Plans before they are issued Final.

Please accept our apologies for any inconvenience this misunderstanding may have caused. If you should have questions, please contact me at (412) 921-8916.

Very truly yours,

Mark P. Speranza, P.E.
Task Order Manager
