MR. HARRINGTON: Good evening, my name is Tim Harrington. I am from the Natural Resources and Environmental Affairs Office on Parris Island. On behalf of the Commanding General, Brigadier General Cheney, I would like to welcome you to this evening's public meeting and thank you for your participation.

The purpose of the meeting is to provide a forum for the exchange of information and ideas regarding our proposed No Further Action at sites/solid waste management units 2 and 15.

In order for everyone to have an opportunity to express their concerns, we need to establish some rules for the conduct of this formal meeting.

First of all, you have the opportunity to make oral comments, and to do so, I would ask that you stand, recognize yourself, and direct your question to Marie, who will be recording this evening's dialogue.

Secondly, you can submit your written comments by either filling out the form contained in the proposed plan or electronically, by submitting them to the e-mail address in the proposed plan.

Finally, you can provide comments via the telephone by calling me at the number listed in the proposed plan, 228-3423.

Having said that, is there any desire to see the technical presentation describing the investigation, findings, and rationale supporting the proposed plan?

Let the record reflect no response.

Is there any desire to make oral comments or discuss the proposed plan?

Let the record reflect no response.

With that, I would like to adjourn the meeting.

(Proceedings adjourned at 7:35 p.m.)
