Tim,

It that time again! Attached is a draft agenda (real draft) and the flyer for the upcoming MCRD PI TRC Meeting on May 6. I need the following information from you to finalize the aforementioned documents.

- 1) Location of TRC meeting
- 2) Should the TRC meeting start at 6:00 p.m. or later?
- 3) What are the items for discussion? Who will present the information? How much time is required for their presentation?
- 4) Where there any action items pending from the last TRC/Partnering Team Meeting (I reviewed the minutes and did not notice any.)

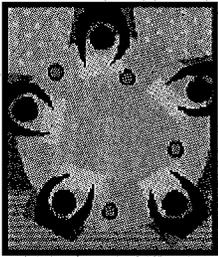

I will be out the office the remaining of the week. I intend to mail the draft agenda, flyer and copy of the Feb. TRC minutes on Monday, April 28, 2003 to the TRC & Partnering Team ? please advise/reply immediately.

Thank you for your rapid assistance.

P.S. I was glad to hear you were still in the US. Just in case you cannot review the attachments, I will fax you a hard copy as well.
