**RE: CONDITIONAL APPROVAL**  
Final RI/RFI for Site/SWMU 45  
Parris Island Marine Corp Recruit Depot (MCRD)  
Parris Island, South Carolina  
SC6 170 022 767

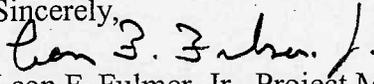

Dear Mr. Sanford:

The South Carolina Department of Health and Environmental Control (Department) received the above referenced Final RI/RFI on November 19, 2004. The Department reviewed the document with respect to the applicable sections of the South Carolina Hazardous Waste Management Regulations (SCHWMR). Based on this review, the Department has determined the conclusions presented in the document are acceptable.

This letter will serve as the Department's conditional approval of the Final RI/RFI for Site/SWMU 45. Please note no revisions to the work plan are necessary based on this conditional approval. However, the approval is contingent upon the submittal an addendum to the RI/RFI based on information obtained from the work performed in conjunction with the Final RI/RFI Addendum Work Plan for Site/SWMU 45 which was approved by the Department on February 10, 2005.

The Department's conditional approval is based on information presented by the Marine Recruit Depot to date; any information found to be contradictory may require further action. If you have any questions regarding this issue, please contact me at (803) 896-4192.

Sincerely,

  
Leon F. Fulmer, Jr., Project Manager  
Corrective Action Engineering Section  
Division of Waste Management  
Bureau of Land and Waste Management
