RE: Concurrence
Five Year Review Report
Marine Corp Recruit Depot
Parris Island
SC6 170 022 762

Dear Mr. Sanford:

The Corrective Action Engineering and the Hydrogeology Sections of the South Carolina Department of Health and Environmental Control (Department) have completed the review of the above referenced document, which was received on September 29, 2005. Based on this review, the Department has determined that all of the Department's comments have been adequately addressed and recommends concurrence of the above referenced document. However, please note that Department agrees with the issues discussed in the approval letter from the EPA dated September 19, 2005. The Department anticipates that these issues will be resolved in subsequent submittals such as Records of Decision, Land Use Controls Remedial Designs, or other submittals as appropriate.

If you have any questions or concerns, please feel free to contact me at (803) 896-4285.

Sincerely,

Jerry Stamps, Engineer Associate
Corrective Action Engineering Section
Division of Waste Management
