RE: Request for Extension of Review Time on the Proposed Plan for SWMU 3
Marine Corp Recruit Depot
Parris Island
SC6 170 022 762

Dear Mr. Sanford:

The Corrective Action Engineering of the South Carolina Department of Health and Environmental Control (Department) received the above referenced document in full on August 2, 2007 electronically. In accordance with the Federal Facility Agreement (FFA), SCDHEC has 30 days to review and provide comments or approve a primary document. DHEC will work with the Partnering Team to resolve questions on issues raised in a conference call August 24, 2007. Therefore, DHEC will be unable to meet the 30 day time requirement and requests a 20 day extension. This 20 day extension will extend the due date to September 24, 2007 due to weekends and holidays in the original 30 day time period.

If you have any questions or concerns, please feel free to contact me at (803) 896-4218.

Sincerely,

Meredith Amick, Environmental Engineer Associate
Corrective Action Engineering Section
Division of Waste Management
