Conditional Approval
Marine Corp Recruit Depot

SC6 170 022 762

Dear Mr. Cook:

The Corrective Action Engineering Section and the Division of Hydrogeology of the South Carolina Department of Health and Environmental Control (Department) have completed the review of the Draft Final FY 08 SMP D2 received February 7, 2008. Based on this review, it appears that the Department's November 30, 2007 comments (Amick to Cook) were not addressed. Because the Draft FY 09 SMP is due in June, the Department conditionally approves the Draft Final FY 08 SMP D2. The condition of this approval is the November 30, 2007 comments must be addressed in the Draft FY 09 SMP.

If you have any questions or concerns, please feel free to contact me at (803) 896-4218.

Sincerely,

Meredith Amick, Environmental Engineer Associate
Corrective Action Engineering Section
Division of Waste Management
