RE: Site 27 /Future Motor T Building Soil Borings

Dear Ms. Amick and Ms. Llamas:

The enclosure contains the MCRD Parris Island Site 27 Sampling and Analysis Plan for the waste soil from the test borings associated with the future Motor T building. This plan has incorporated the Team's comments.

The DoN is committed to accomplishing the Team's clean-up goals in both an effective and efficient manner. If you have any questions regarding this submittal, please contact Charles Cook, P.E. at (904) 542-6409 or e-mail charles.cook2@navy.mil.

Sincerely,

SARAH M. REED, P.E.
Restoration Section Head
South Central Integrated Product Team
