Dear Mr. Cook:

The Corrective Action Engineering Section of the South Carolina Department of Health and Environmental Control (Department) has completed the review of the above referenced letter received July 2, 2008. The new near-term milestone dates requested in the letter for the Site 3 Risk Assessment are approved. The Department looks forward to continuing work with the Navy and EPA to meet these milestones.

If you have any questions or concerns, please feel free to contact me at (803) 896-4218.

Sincerely,

Meredith Amick, Environmental Engineer Associate
Corrective Action Engineering Section
Division of Waste Management
