SUBJ: EPA Request for Extension of Review Time for FY09 SMP D1

Dear Sirs:

EPA has begun review of the FY09 Draft SMP, received electronically on June 13, 2008. However, before finalizing comments on the document EPA would like the opportunity to discuss the SMP on the Team conference call scheduled for July 30<sup>th</sup>, 2008. This would exceed the allowed review time for this document. Therefore EPA is hereby requesting the 20 day extension automatically allowed for in the Federal Facility Agreement.

If there are any questions regarding this letter, please do not hesitate to contact me at (404) 562-9969.

Sincerely,

A handwritten signature in cursive script that reads "Lila Llamas".
