RE: Conditional Approval of the D2 Final MCRD PI FFA SMP Amendment 2009  
Marine Corp Recruit Depot  
Parris Island  
SC6 170 022 762

Dear Mr. Cook:

The Corrective Action Engineering Section and the Division of Hydrogeology of the South Carolina Department of Health and Environmental Control (Department) completed the review of the D2 Final MCRD PI FFA SMP Amendment 2009 received November 26, 2008. The Department offers the following attached comments; however, in the interest of forward progress the document has been conditionally approved.

If you have any questions or concerns, please feel free to contact me at (803) 896-4218.

Sincerely,

Meredith Amick, Environmental Engineer Associate  
Corrective Action Engineering Section  
Division of Waste Management

---

**Specific Comments**

1. Please note the Department still needs a map showing the location of the Elliot's Beach OWS to SWMU 14. In addition to the Elliot's Beach OWS, the Department has not agreed on a path forward for Site 35. Both of these sites should be discussed at upcoming team meetings.
2. The process of adding the MMRP Sites to the FFA and SMP should also be discussed at upcoming team meetings.
