Jacksonville, Florida 32212

RE: Approval of the Quality Assurance Project Plan Site 3 Fish Tissue Risk Assessment and RTCs  
Marine Corp Recruit Depot  
Parris Island  
SC6 170 022 762

Dear Mr. Cook:

The Corrective Action Engineering Section and the Federal Facilities Groundwater Section of the South Carolina Department of Health and Environmental Control (Department) has completed the review of the above referenced document and its associated RTCs received November 4, 2009 and December 1, 2009, respectively. Based on this review, the Department determined the document to be technically adequate.

The Department's approval is based on the information presented by MCRD to date; any information found to be contradictory may result in additional comments or require further action.

If you have any questions or concerns, please feel free to contact me at (803) 896-4218.

Sincerely,

Meredith Amick, Environmental Engineer Associate  
Corrective Action Engineering Section  
Division of Waste Management
