RE: Request for Extension of Review Time of Site 27 DQOs for the Fiber Optic Vault Area
Marine Corp Recruit Depot
Parris Island
SC6 170 022 762

Dear Mr. Cook:

The Corrective Action Engineering of the South Carolina Department of Health and Environmental Control (Department) received the Site 27 DQOs for the Fiber Optic Vault Area on December 22, 2009. It was the Department's understanding that DQOs for the Site 27 Fiber Optic Vault Area would be discussed in the February 2, 2010 team meeting. Because of the potential for change in the DQOs based on meeting discussions the Department sent a letter January 22, 2010 stating that no review would be performed on the DQOs. The Site 27 DQOs for the Fiber Optic Vault Area were not changed based on the meeting. Therefore, the Department requests an extension for the review of the DQOs. In accordance with the Federal Facility Agreement (FFA) and negotiated extended time frames, SCDHEC has 45 days to review and provide comments or approve a primary document. DHEC will be unable to meet the 45-day time requirement for the Site 27 DQOs for the Fiber Optic Vault Area and requests a 20-day extension. This 20-day extension will extend the due date to February 25, 2010.

If you have any questions or concerns, please feel free to contact me at (803) 896-4218.

Sincerely,

Meredith Amick, Environmental Engineer Associate
Corrective Action Engineering Section
Division of Waste Management
