Dear Mr. Cook:

The Corrective Action Engineering of the South Carolina Department of Health and Environmental Control (Department) received the Site 45 RI Report Addendum and the SI/CS Report for Site/SWMU 4, Site/SWMU 5, Site/SWMU 7, Site 9/SWMU 8, Site 13C/SWMU 13, Site/SWMU 16, SWMU 27, and SWMU 35 on January 14, 2010. The Department requests an extension for the review of the documents. In accordance with the Federal Facility Agreement (FFA) and negotiated extended time frames, SCDHEC has 45 days to review and provide comments or approve a primary document. Due to priorities set by the Partnering team, DHEC will be unable to meet the 45-day time requirement for these documents and requests a 20-day extension. This 20-day extension will extend the due date to March 22, 2010.

If you have any questions or concerns, please feel free to contact me at (803) 896-4218.

Sincerely,

Meredith Amick, Environmental Engineer Associate
Corrective Action Engineering Section
Division of Waste Management
