RE: Request for Extension of Review Time of Five Year Review  
Marine Corp Recruit Depot  
Parris Island  
SC6 170 022 762

Dear Mr. Cook:

The Corrective Action Engineering of the South Carolina Department of Health and Environmental Control (Department) received the Five Year Review on March 22, 2010. In accordance with the Federal Facility Agreement (FFA) and negotiated extended time frames, SCDHEC has 45 days to review and provide comments or approve a primary document. Due to priorities set by the Partnering team, DHEC will be unable to meet the 45-day time requirement for these documents and requests a 20-day extension. This 20-day extension will extend the due date to May 26, 2010.

If you have any questions or concerns, please feel free to contact me at (803) 896-4218.

Sincerely,

Meredith Amick, Environmental Engineer Associate  
Corrective Action Engineering Section  
Division of Waste Management
