Lisa,

Just heard back that my previous email was correct. We are following an example done when SRS put out a public notice. So we will have the public notice on our website (so we'll need an e version); however, we won't run it in The State paper.

Meredith,

Tim seems to recall that DHEC publishes its own public notice in Columbia -- is this correct? If so, we thought we would send DHEC the public notice the Depot is intending to publish. Feel free to comment.

V/R,
Lisa
