RE: Conditional Concurrence of the Final FY11 Site Management Plan  
Marine Corp Recruit Depot (MCRD)  
Parris Island  
SC6 170 022 762

Dear Mr. Cook:

The Division of Waste Management of the South Carolina Department of Health and Environmental Control (Department) received the Final FY11 Site Management Plan on December 21, 2010. The Department reviewed the document with respect to applicable sections of the South Carolina Hazardous Waste Management Regulations (SCHWMR). Based on the review the Department provides the following conditions for approval.

Please note any changes made to the December 21, 2010 version of the Final FY11 Site Management Plan must be reviewed by the Department. Therefore, the Department recommends issuing only the change tables requested in the conditions. If you have any questions regarding this issue, please contact me at (803) 896-4218.

Sincerely,

Meredith Amick, P.E., Environmental Engineer  
Corrective Action Engineering Section  
Division of Waste Management

**General Comments**

1. The document provided was not a complete document. In order to create a complete document:
  - a. Table 2 was copied from the November 29, 2010 SMP submittal.
  - b. Table 3 was printed from EPA's 12/15/10 email with redline.
2. In the November 2010 Partnering meeting, the team worked together to create a document submittal and review FY 11 schedule, which is attached. As stated in the November 2010 Partnering team meeting, if the Navy missed a scheduled due date for a submittal the entire document submittal and review schedule for FY 11 must be reevaluated. Therefore, the schedule should be reevaluated because of the missed submittal date for the FY 11 SMP. Additionally as requested in the team meeting this table should be added to the SMP to make the SMP a complete package. Because some of the dates on the document submittal and review schedule for FY 11 are reflected in Table 1 of the SMP submittal, a revised Table 1 must be resubmitted as well.
3. Once approved, the Department's approval of the SMP is only for dates through September 2011. The Department will approve dates beyond September 2011 in the FY12 SMP. Because of the difficulty in putting together an agreeable schedule between the three FFA parties, the Department recommends beginning discussing FY12 dates in the April 26-27, 2011 partnering team meeting.
