RE: Request for Extension of Review Time Frames for Draft RI Report for Site 5  
Marine Corp Recruit Depot (MCRD)  
Parris Island  
SC6 170 022 762

Dear Mr. Cook and Ms. Donohoe:

The Division of Waste Management of the South Carolina Department of Health and Environmental Control (SCDHEC) received the Draft RI Report for Site 5 on March 29, 2012. In accordance with the Federal Facility Agreement (FFA) and negotiated extended time frames, SCDHEC has 45 days to review and provide comments or approve a primary document. Due to workload, SCDHEC will be unable to meet the 45 day review time requirement for this document and requests a 20 day extension resulting in a due date of June 4, 2012.

If you have any questions regarding this issue, please contact me at (803) 896-4218.

Sincerely,

A handwritten signature in black ink, appearing to read 'Meredith Amick', written in a cursive style.

Meredith Amick, P.E., Environmental Engineer  
Corrective Action Engineering Section  
Division of Waste Management
