RE: Request for Extension of Review Time Frames for RI Report for Site 27, 55, 9, and 16  
Marine Corp Recruit Depot (MCRD)  
Parris Island  
SC6 170 022 762

Dear Mr. Cook:

The Division of Waste Management of the South Carolina Department of Health and Environmental Control (SCDHEC) received the RI Report for Site 27, 55, 9, and 16 on November 28, 2011. In accordance with the Federal Facility Agreement (FFA) and negotiated extended time frames, SCDHEC has 45 days to review and provide comments or approve a primary document. Due to workload, SCDHEC was unable to meet the 45 day review time requirement for this document and requested a 20 day extension resulting in a due date of February 1, 2012. The Department will be unable to meet the requested February 1, 2012 deadline and request a 12 day extension, bringing the due date to February 13, 2012.

If you have any questions regarding this issue, please contact me at (803) 896-4218.

Sincerely,

A handwritten signature in black ink, appearing to read "Meredith Amick", with a long horizontal line extending to the right.

Meredith Amick, P.E., Environmental Engineer  
Corrective Action Engineering Section  
Division of Waste Management
