RE: Request for Extension of Review Time Frames for Draft PA/SI Report for Site 14
Marine Corp Recruit Depot (MCRD)
Parris Island
SC6 170 022 762

Dear Mr. Cook and Ms. Donohoe:

The Division of Waste Management of the South Carolina Department of Health and Environmental Control (SCDHEC) received the Draft PA/SI Report for Site 14 on July 26, 2012. In accordance with the Federal Facility Agreement (FFA) and negotiated extended time frames, SCDHEC has 45 days from receipt or Navy due date (whichever is the latter) to review and provide comments or approve a primary document. Due to workload, SCDHEC will be unable to meet the 45 day review time requirement for this document and requests a 20 day extension resulting in a due date of October 4, 2012.

If you have any questions regarding this issue, please contact me at (803) 896-4218.

Sincerely,

A handwritten signature in black ink, appearing to read 'Meredith Amick', with a long horizontal line extending to the right.
