Subj: FINAL RFI DATA GAP REPORT, PORTSMOUTH NAVAL SHIPYARD,
KITTEERY, ME

Dear Ms. Cassidy and Ms. Beardsley:

Enclosed are copies of the Final RFI Data Gap Report which incorporates your comments from the draft report. The comments and responses on the draft report are included as an appendix to the final. As discussed at our Project Team meeting of September 22, 1995, we understand there are no further changes required to the report. This effort fulfills the conditions, which required additional field work, in the April 1, 1993 RCRA Facility Investigation Approval with Conditions letter from the EPA.

The final report has also been sent to the members of the Restoration Advisory Board. If you have any questions regarding this report please call me at (610) 595-0567 x117 or we can discuss at our next Project Team meeting.

Sincerely,

JAMES M. CONROY, PE

Remedial Project Manager
