Subject: Draft Final Proposed Remedial Action Plan for Operable Unit 1
Portsmouth Naval Shipyard (PNS), Kittery, Maine

Dear Mr. Audet/Mr. McLeod:

On behalf of the U.S. Navy, Tetra Tech NUS, Inc. is pleased to provide to the U.S. Environmental Protection Agency Region I (USEPA) and to the Maine Department of Environmental Protection (MEDEP) 2 and 3 copies, respectively, of the subject document. The document shows revisions made based on the responses to MEDEP comments dated January 12, 2009 on the draft Proposed Plan, based on changes reflected in the draft final OU1 Feasibility Study (FS) Report, and a community comment made during the March 16, 2010 Restoration Advisory Board (RAB) meeting.

Once the FS is finalized and comments are received on the draft final Proposed Plan, the Proposed Plan will be finalized for public comment. The final Proposed Plan will be formatted and will provide information (dates, times, and locations) for the Informational Open House and Public Hearing.

In accordance with the project schedule, comments are due by **May 25, 2010**.

If you have any comments or questions, or if additional information is required, please contact Ms. Linda Cole at 757.341.2011.

For the Community Restoration Advisory Board (RAB) members; if you have any comments or questions on these issues, they can be provided to the Navy at a RAB meeting, by calling the Public Affairs office at 207.438.1140 or by writing to:
