PUBLIC NOTICE  
PORTSMOUTH NAVAL SHIPYARD  
RESTORATION ADVISORY BOARD  
MEMBERSHIP SOLICITATION**

The Department of Defense recognizes the importance of stakeholder participation in Installation Restoration Programs. To accomplish this, Restoration Advisory Boards (RABs) are created to improve public participation by involving the community in the restoration process.

The RAB includes community members who reflect the diverse interests of the local community. RAB members are asked to review and comment on plans and activities relating to the ongoing environmental studies and restoration activities at the Portsmouth Naval Shipyard (PNS). RAB members have the opportunity to provide input on activities that will accelerate the restoration. Members also are expected to serve as voluntary liaisons between the community and the RAB and be available to meet with community members and/or groups.

Currently, PNS is seeking applications for membership to fill two vacancies on the RAB. Interested persons can obtain a membership application by contacting:

Alan M. Robinson  
Public Affairs Office  
Portsmouth Naval Shipyard  
Portsmouth, NH 03804-5000  
207-438-1140

Applications are also available in the PNS information repositories at the Kittery and Portsmouth Public Libraries.

Applications will be reviewed and approved by a selection panel made up of existing RAB members who recommend new members to the Navy. To qualify, interested parties must be residents of York County, Maine or Rockingham or Strafford Counties, New Hampshire. Members will be expected to serve a two-year term and attend bimonthly RAB meetings. The deadline for submitting an application is February 27, 1999.

For additional information, please contact:

Mr. Doug Bogen, community co-chair of the PNS RAB at (603) 430-9565; Mr. Jeff Clifford, PNS RAB member at (603) 433-2335; or Mr. Alan Robinson, PNS Public Affairs Office at (207) 438-1140.
