Dear Mr. Atwal:

Alliant Techsystems Inc. has established a wholly-owned subsidiary, Alliant Missile Products Company LLC, which will assume operation of Allegany Ballistics Laboratory (ABL) in West Virginia. This letter is to request the transfer of the hazardous waste storage permit to Alliant's wholly-owned subsidiary, Alliant Missile Products Company LLC. This letter also requests the transfer of interim status for the ABL Subpart X treatment facility to Alliant Missile Products Company LLC.

The new company will become an operating entity as of April 1, 1999. Alliant as the parent corporation of the transferee will remain responsible for the permit and all of its requirements during your review of this transfer.

If you should have any questions, please contact me at (304) 726-5218.

Sincerely yours,

John L. Waugaman
