**RE: U.S. EPA Review of the Draft Final Site 1, Former Disposal Pits 1 and 3 (Soil),
Engineering Evaluation and Cost Analysis, Allegany Ballistics Laboratory, Mineral
County, West Virginia**

Dear Mr. Fraser:

The U.S. Environmental Protection Agency (EPA) has finished its review of the above-referenced document. All our technical comments that were submitted in February 2012 have been addressed. Issues with the ARARs table were addressed based on discussions during the March 2012 Partnering meeting. EPA has no further comments on this document. If you have any questions or concerns regarding our comments, please contact me by telephone at 215.814.3379 or electronically at kloss.sarah@epa.gov.

Sincerely,

A handwritten signature in cursive script, appearing to read "Sarah Kloss".
