SUBJECT: Review of EE/CA Site 7, Allegany Ballistics Laboratory,
Rocket Center, West Virginia

Dear Mr. Kidwell:

Thank you for the opportunity to review the Engineering Evaluation and Cost Analysis (EE/CA) Beryllium Landfill, Site 7 Allegany Ballistics Laboratory (ABL) Superfund Site, Rocket Center, West Virginia. This draft final version is dated May 1996.

SPECIFIC COMMENTS

Page ES-2, Last Paragraph: Just the segregated soils will be allowed to be disposed of onsite at Site 5 landfill. The pyrotechnics (PEP) will be disposed of onsite, under the facility's RCRA subpart X permit.

Page ES-3, Second Paragraph: Drop the number 3 and change the next paragraph to 3.

The rest of the document reflects the suggested changes made to the earlier draft document.

If you have any questions concerning any of these comments, please call me (215) 566-3364.

Sincerely,
Bruce W. Beach
