**NOTICE OF AVAILABILITY
Former Debris Area Release Abatement
Measure Completion Report
NOMANS LAND ISLAND
CHILMARK
RTN # 4-13390**

A Release Abatement Measure (RAM) has been completed for the above referenced location. This RAM Completion Report discusses the work performed this season which included the removal of construction debris from a debris area on site. A Phase I Initial Site Investigation was completed in October, 1998. A Phase II CSA Report was completed in March, 2001.

The U.S. Navy is making copies of the RAM Completion Report available at the public information repositories listed below:
