**NOTICE OF TRC MEETING AND AVAILABILITY OF DRAFT SUPPLEMENTAL Phase IIA Comprehensive Site Assessment- Risk to the Environment Report Nomans Land Island Chilmark, MA RTN# 4-3390**

A Supplemental Phase IIA Comprehensive Site Assessment (CSA), focusing on the risk to the environment, has been performed at the above referenced location and a Draft Report has been completed. This Phase IIA CSA was performed as a supplement to the Phase II CSA, that was completed in March 2001 and addresses the work performed in 2001 on the site to further evaluate the risk to the environment.

The United States Department of the Navy (Navy) established a Public Involvement Program to involve the public in review of remedial response actions for the referenced location, and established a Technical Review Committee (TRC) consisting of regulatory and community representatives to provide in-depth review and discussion of environmental actions.

The TRC will conduct a meeting to present and receive comments on the Draft Phase IIA Supplemental CSA Report and to provide a summary of activities conducted at the site. The meeting will be held at the Wampanoag Tribal Administration Building, 20 Black Brook Road, Aquinnah, MA from 3:00-7:00 PM on Thursday, June 6, 2002. The meeting will be
