Team -

I have reviewed the referenced document and submit the following VDEQ comments:

General Comment

1. Page 3-2, fourth paragraph - according to this paragraph Site 20 (UXO-01) was given an NFA status in July 2001, it is not clear what the reasoning is for opening it to complete a PA/SI. Please add information to clarify.

Typographical Comments:

2. Page 3-2, second paragraph, second sentence - change "does not" to "do not"
3. Page 3-2, fourth paragraph, third sentence - change "No Navy of" to "No Navy or"

Thank you for the opportunity to comment.
