That's what I thought too.

Please consider this email as my final approval of the Final EE/CA for the Site 5 Waste/Burnt Soil Area and Impacted Surface Soil and Sediment Areas. I have reviewed the aforementioned documents and have no comments to submit.

Thanks.

I don't see anything from you accepting the final version. Are you sure that you approved it? I have your acceptance of the draft final, but can't find anything on the final.
