Subject: SJCA Site 21 Interim ROD - Revisions - VDEQ comments

Team -

I have reviewed the Site 21 Interim ROD with Revisions and submit the following VDEQ comments:

1. Table 4 - change 1,1-DCA to 1,1-DCE
2. Figure 5 - update depiction of UST in legend to match UST on figure
3. Section 2.11.3, inserted blue text - to maintain consistency, round up the O&M total present value from \$0.7 million to \$0.8 million

Please send me the final version without redlines once it is completed - electronic is fine.

Thanks,

Karen
