Hi team,

I've updated the RTC to include the VDEQ ARARs comment from today. I think that covers all of the outstanding comments, so let us know if you are OK with the responses and we can finalize the FS.

Thanks,  
Janna

Hi Team,

Attached are the draft RTCs for the Draft Feasibility Study for Site 21. Final RTCs will be submitted upon receiving ARAR comments from VDEQ. Please let us know if you have any questions.
